To Whom it May Concern,

I'm requesting a waiver to the 2018 471 filing window for Rangely School District RE4. I'm the new IT Director. My predecessor missed the filing window and left town. In addition to this, the district's service provider was Colorado Fiber Community, but that business was assumed by Rio Blanco County, further complicating matters.

Our school district's work on transitioning to Rio Blanco County and recovering from the loss of our prior IT director is now complete. As a rural school district, with very limited funds, we are humbly requesting that you waive the deadline for our 471 form. The pertinent information is below:

1. Entity: **Rangely School District RE4**
2. Billed entity number- **142466**
3. FRN: **1899084717**
4. 471 Application Number: **181043253**
5. Account administrator's name: **Blake Mobley**

8. Account administrator's Phone number: **970.675.2209**

Sincerely,

Blake Mobley
IT Director
